**TO:** State Agencies

**DATE:** October 17, 2002  
**RE:** Change in FY 2003 MCHCP State Contribution

The Missouri Consolidated Health Care Plan has advised us that additional increases in the cost of health insurance has necessitated an increase in the monthly amount paid by the state. This amount will increase from \$381 to \$471 per employee, effective for the new calendar year coverage.

Since the employee premiums and state employer share are paid in the month prior to the coverage, the initial transfer of funds at the higher rate (\$235.50 for the semi-monthly pay period) will be associated with the employee checks dated December 16, 2002. Please distribute this information to the appropriate personnel in your agency. If you have any questions, please contact Jack Dothage at (573) 751-3289.
